Chair Watson called the executive session of the School Committee to order at 9:20 PM.

Member Kelley stated that the executive session on April 14, 2008 was called to order following Superintendent Pandiscio's reporting to the School Committee of an incident he had just been informed of. This incident involved students of Wachusett Regional High School being involved in a fight, off the high school campus following dismissal time on April 14, 2008. The minutes of the April 14, 2008 executive session should not reflect this report of the Superintendent as it did not occur in executive session.

Member Plourde added that the last paragraph on page 2 of the executive session minutes of April 14, 2008 should be deleted, as it was not related to the reason for the executive session.
